

CERTIFICATE

Czech

Evidence number 07.972.092

on EC revision of the type (B module) according to 97/23/EC directive implemented by the Act No. 22/1997 Coll., as amended, and government decree No. 26/2003 Coll., as amended

Awarded to the producer:

ABO valve, s.r.o.

Dalimilova 285/54

CZ - 783 35 Olomouc

ID-No.: 49609050

For Pressure Equipment:

Name: **INTERFLANGES BUTTERFLY VALVES**
 Type name: ABO - SERIES 500
 Modification: DN 50 to DN 400 for maximum working pressure 10 bar and temperature from -29°C to 200°C as a pressure equipment for the liquids of group fluid 1
 Production place: ABO valve, s.r.o., Dalimilova 285/54, CZ - 783 35 Olomouc

This is to certify that the above-named type of the pressure equipment meets the requirements of

The European Parliament and European Council Directive 97/23/EC

Implemented by the Act No.22/1997 Coll., as amended, and government decree No. 26/2003 Coll., as amended.

The present certificate has been issued for the purpose of Declaration of product conformity issue. The product conforms to the above-described technical directive.

Details on appraisal and a list of important parts of the technical documentation are stated within the Assessment report No. 08.192.146, which is an integral part hereof.

Conditions related to certificate validity period and the rules of the certificate disposal are stated on the second page of the certificate.

In Prague, dated 07.05.2015

On behalf of the Notified body No. 1017
 Jana Bačinová
 Head of Certification Department

1. Conditions related to certificate validity period

The present certificate is valid for the period of ten years since the date of its issue, and can be issued again on request.

Changes and alteration variances of the pressure equipment other than these that have been certified within a particular design have to be disclosed to TÜV SÜD Czech without delay. Such a circumstance may make further certificate validity dependant on additional conformity evaluation.

Required service and assembly manuals shall be attached to each product.

Each product shall bear a clear producer or importer reference and its type name, in order to enable to find out the identity of certificated proposal with products that got afloat.

2. Rules of the certificate disposal:

The certificate can be used only as the certificate for particular design of products that are specified on the first page. This is also applied to the use within promotional, advertising and commercial materials.

This certificate can be copied only in whole. There is forbidden to change it, add anything into it or write out the certificate data.

Unauthorized or false use of the certificate can be subject to sanctions (§ 19 of the Act No. 22/1997 Coll., as amended).

The certificate cannot be used as the certificate related to design of products that were changed without the consent of TÜV SÜD Czech. Such a change influences the conformity of used normative documents and regulation.

The entitlement to use the certificate can be applied only for its owner and for the products and production facilities indicated herein. The owner of certificate cannot transfer it towards third persons, and third persons also cannot use it. Only TÜV SÜD Czech is entitled to transfer it towards third subject.

If there are no closer details, General conditions for products certification of up-to-date wording shall be applied.

This language version of the certificate is a translation of a Czech official version No. 07.972.092 issued on 07.05.2015, which is deemed the only one applicable in the event of legal disputes and was printed on 07.05.2015.
